In A Pickle Brings the Haunted Hearse of Horrors – and The Grinch Car – to the Moody Street Car Show

WALTHAM, MA – August 2025 — The Moody Street Car Show is rolling out the chrome, but In A Pickle Restaurant is rolling out something a little... darker. On **Saturday, August 16**, the beloved brunch spot is launching its Halloween-inspired **Haunted Hearse of Horrors Envelope Promotion** — and they're bringing two showstoppers to the streets of Waltham: a **2006 Cadillac DTS Hearse** and the fan-favorite **Grinch Car**.

"We've done some wild envelope giveaways over the past year — but this one might be our most haunting yet," says **Tim Burke**, owner of In A Pickle Restaurant. "The Car Show is the perfect place to kick things off — especially with both the Haunted Hearse and the Grinch Car parked side by side."
